READING, RAPPIN' & HAVING FUN at Duval Teachers United March 21, 2005

Thank you for attending the Reading, Rappin' & Having Fun workshop. Your comments and suggestions are important to future conference planning. Please take a few minutes to share your thoughts.

The presenter involved the audience	1 2 3 4 (5)
The presenter shared valuable information	1 2 3 4 (5)
The presenter was knowledgeable of the material shared	1 2 3 4 (5)
I would recommend this workshop to other educators	1 2 3 4 (5)

Additional Comments:

This workshop should be given at the beginning of the year to all teachers, who work with students. The excellent techniques utilized could help narrow the gap for our reading deficiencies throughout the district. It would give the teachers creative ideas in targeting or addressing the needs of difficulties in students who are not motivated by reading. It could enable a lot of students greater success as oppose to failure.

Name & job title (optional) School Psychologist - Bivins
