Dear Mr. Taylor:

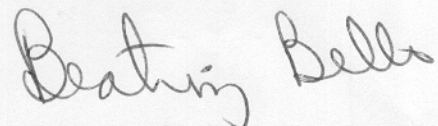

My name is Beatriz Bello. I am a third grade teacher at Caribbean Elementary School in Miami, Florida. I met you several years ago during a Florida Minority Teachers' Conference in Orlando, Florida. I was inspired by your enthusiasm, and the lyrics to your CD. I immediately purchased a copy of the activity book, and the CD, ***Rhythmic Reading with Rap***. I am a firm believer that children learn through music.

I wanted to write to let you know that my third grade students truly enjoy listening to the music, and lyrics. They were having a hard time understanding one of the F.C.A.T. Benchmarks, Context Clues. I am happy to say, they were able to memorize the lyrics to song No. 3, and grasp the concept of searching for the meaning of the word using clues found in the text of reading passages. I have used your CD during Differentiated Instruction, and also during Whole Group Instruction.

I will make sure to share this value information with my colleagues during a Professional Development day being held in my school in February. I will give the teachers your name, and e-mail address.

Thank you, and please make sure to let me know if you publish another educational CD. My e-mail address at school is, bbello1@dadeschools.net.

Sincerely,

A handwritten signature in cursive script that reads "Beatriz Bello". The signature is written in dark ink and is positioned above the printed name.
