To Whom It May Concern:

It is with sincere pleasure to recommend Mr. Vincent Taylor. By every standard, Mr. Vincent Taylor is one of the most dedicated and creative presenter that I have seen in a long time.

His achievements are remarkable! He presents through out the school year in various cities. Mr. Vincent Taylor presented to my staff at J. H. C. Butler – Rhythmic Reading with Rap. My students' vocabulary and comprehension increased from 56% to 85% during the last two years.

He has a thorough knowledge and vision for conveying messages in innovative methods.

"This was a very motivating and practical workshop. I noticed an increase in the area of vocabulary on comprehension". "Most of all the students were eager to read using his techniques".
